

## ARE YOUR PROPERTY TAXES TOO HIGH?

If so, you may have interest in the following questions directed at the Wasatch County Commission. Pete Coleman, Chairman.

### PETE WHY?

**PETE,** Why did Wasatch County have the highest taxing rate of any county in Utah for the last year?

**PETE,** Why was Joe Dean Huber hired to survey for Wasatch County? He is the County Recorder, not a licensed surveyor. Wasatch County has an elected licensed surveyor, Bing Christensen.

**PETE,** Why did you pay Russell Dobson of Helena Montana (without public bid) to prepare property boundary maps (plats) for Joe Dean Huber at \$50 per plat, when the going rate in Utah is \$20 to \$30?

**PETE,** Why was Lorin Allred hired to repair the roof on the County Court House for \$11,465 when it is generally not acceptable to hire commissioners to perform work for the County?

**PETE,** Why did you request that the proposed new State road which will connect Wasatch County and Kamas (Route A) be turned over to Wasatch County for ongoing repair and maintenance when there are not sufficient funds to properly maintain existing County roads?

**PETE,** Why did you raise the County Attorney's salary and office allowance to \$56,925?

**PETE,** Why have the handicapped and elderly been denied adequate access to the Court House when you have a grant to remedy the problem?

**PETE,** Why did you choose to not follow County rules in hiring Bonneville Engineering to design the Lake Creek debris basin?

**PETE,** Why did you pay approximately \$60,000 in settlement to the Unified School Fund?

**PETE,** Why do you employ full-time personnel who are not residents of the County? Surely, our local people have the skills or could be trained to do the work. Our unemployment rate is among the highest in the State.

## PETE, WHY? OH, WHY? OH, WHY?
